

YAC is the best way to start your summer! At YAC “young adults” are people who come together to revel in a community of like-minded souls. We challenge each other to maximize the creations, the conversations, the realizations and the relaxations that can be achieved during our precious time on the island and carried on throughout the year. Workshops offer the opportunity to share your knowledge/talent/obsession or discover a new one. At night kick back and cut loose (because there’s just no party like a “young adults” party)! There will also be time for the quieter joys that make Star a spiritual place, like candlelit chapel services and reflective moments lit by beautiful Star Island sunsets. Whether you’re a YRUU grad, worked as a Pel, or just heard it through the grapevine, YAC is the place for you. Join us as we forge new bonds, reconnect with old friends and be a part of a growing collective/family/(dare we say) movement. To get involved and get excited please visit our website for more information on workshops and happenings.

We welcome children ages 6 and under to our conference and while we enjoy having parents and their kids at YAC, we don’t offer specific programming for children. Please contact the registrar if you have questions regarding what accommodations will be available for parents traveling to Star with children.

Sticker Shock!

The rates for this year's conference have increased by 20%. We are going to do our very best to meet your scholarship needs and we also have some helpful tips to help beat back the terror this brings to your bank account! Think about how great it will be to be back on the island this year – and for a whole week! Now think about this-- how much money could you save up by June if you sacrificed one little luxury every week between now and then (skip the extra milkshake, the extra after work cocktail or that extra pair of jeans). **BONUS!** If you recruit a new conferee make sure they put your name on their reg form—for every new person you convince to join us, we will knock 10 smackers off your final r&b bill!
